

Making a Pop-Up Page using a V Fold

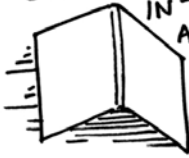

① TAKE A SHEET OF A4 CARD

② FOLD IT IN TWO

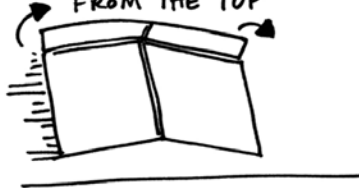

③ TAKE THE AS SHEET + FOLD IT IN TWO ALSO

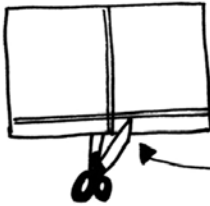

PLACE IT ON THE TABLE SO IT LOOKS LIKE A TENT

④ FOLD A FLAP 2-3CM FROM THE TOP

⑤

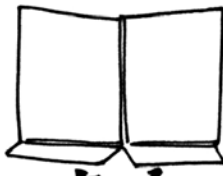

OPEN UP THE PAGE. HOLD THIS WAY UP AND CUT THE BOTTOM FOLD...

... SO THAT IT LOOKS LIKE THIS.

⑥

FOLD BACK YOUR FLAPS

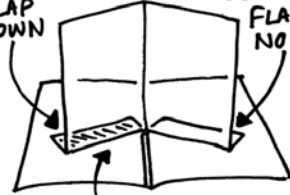

GLUE ONE OF THE FLAPS.

7

TAKE YOUR
A4 BASE PAGE
AND PLACE IT ON
THE TABLE

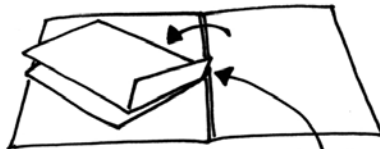

GLUE THE
FLAP
DOWN

LEAVE THIS
FLAP FOR
NOW

GLUE THE POP UP PAGE
AT A 'V' ANGLE AND
MAKE SURE THAT THE
FOLD OF THE POP UP
AND THE FOLD OF THE
BASE PAGE ARE ALIGNED

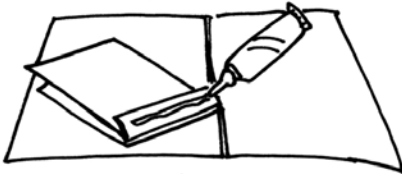

8 WHEN THE FIRST FLAP
IS DRY, FOLD THE POP
UP PAGE OVER

THEN FOLD THIS FLAP BACK

9

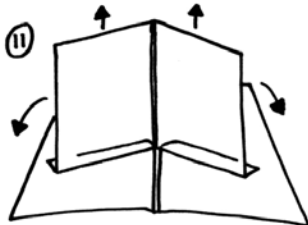

GLUE THE SECOND
FLAP

10

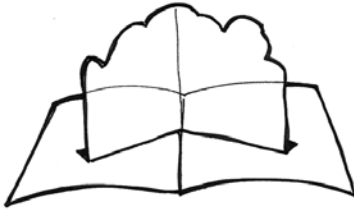

CLOSE OVER THE
PAGE, HOLDING IT
DOWN WHILE THE
GLUE DRIES

OPEN UP YOUR
BASE PAGE AND
NOW YOUR POP
UP IS WORKING

How to attach an Add On Item to your V Fold pop-up page

EXISTING POP UP PAGE ON OPEN BASE PAGE.

← YOUR ADD-ON ITEM (TREE)

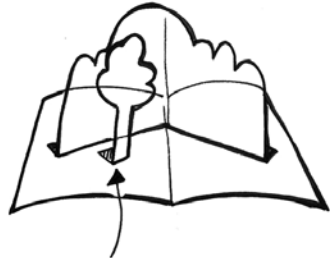

NOTE THAT IT IS NOT TOO SKINNY AROUND THE TRUNK - IT HAS TO BE REASONABLY STRONG TO WORK

← YOUR FOLDED FLAP AT THE BOTTOM

GLUE THE ITEM PARALLEL TO THE POP UP PAGE

GLUE ONLY THE FLAP - LEAVE THE REST OF THE ITEM LOOSE

NOW THE ITEM IS IN THE RIGHT POSITION BUT CANNOT POP UP WITH THE REST OF THE PAGE YET.

CUT A STRIP 2.5CM WIDE X 10CM LONG

FOLD IT 2CM FROM THIS END. THIS FLAP WILL STICK ON TO THE ITEM.

ON THE POP UP, MEASURE THE DISTANCE BETWEEN YOUR ITEM AND THE POP UP PAGE. THIS DEPTH IS HOW MUCH YOU NEXT FOLD THE STRIP

YOU ALREADY FOLDED 2CM FROM THE END

NOW YOU FOLD YOUR DEPTH AMOUNT FROM THAT FURTHER UP THE STRIP

THEN LEAVE ANOTHER 2CM AND CUT OFF THE END

YOU END UP WITH A JOINING STRIP THAT LOOKS LIKE THIS:

YOU ARE GOING TO STICK THE STRIP HERE

GLUE ONE OF THE 2CM FLAPS

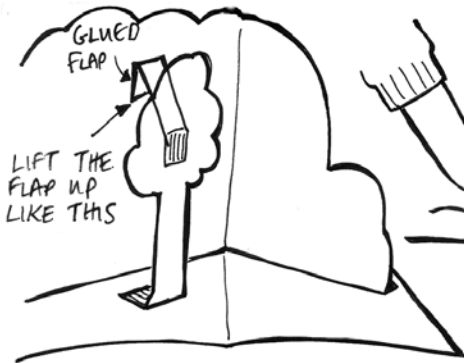

STICK IT TO THE BACK OF YOUR ITEM 3-4CM FROM THE TOP

SO IT LOOKS LIKE THIS

THEN PUT GLUE ON THE OTHER FLAP

AND CLOSE THE PAGE OVER*

* AS WITH GLUEING THE SECOND FLAP OF THE POP UP PAGE, THE SECOND FLAP OF THE JOINING STRIP IS GLUED IN THE CORRECT PLACE BY CLOSING THE PAGE FLAT

OPEN THE PAGE AND NOW YOUR ITEM (TREE) POPS UP WITH THE REST OF YOUR DESIGN

YOU CAN ADD ON MANY LAYERS OF EXTRA V-FOLD POP UP PAGES AND ADD ON ITEMS TO BUILD UP YOUR SCENE

Designing a multi-layered Pop-Up Page

NOW THAT YOU HAVE MADE A POP UP PAGE WITH ADD-ON ITEM, IT IS TIME TO DESIGN A MULTI-LAYERED POP UP PAGE

① TAKE AN A4 SHEET OF PAPER AND PENCIL

② PUT YOUR NAME ON TOP

③ CLOSE YOUR EYES AND THINK OF A CHARACTER. A CHARACTER CAN BE A PERSON, AN ANIMAL, AN OBJECT. THINK ABOUT HOW THEY LOOK. NOW OPEN YOUR EYES AND DRAW THEM (2 MINUTES)

④ NOW THINK ABOUT WHERE THE CHARACTER IS AND WHAT THEY ARE DOING. DRAW IN THESE DETAILS. AT THE END OF TEN MINUTES YOU SHOULD HAVE A FULL SCENE:

NUMBER THE LAYERS

⑤ NEXT DIVIDE UP YOUR SCENE INTO LAYERS: WHAT GOES TO THE FRONT? WHAT IS AT THE BACK? ARE THERE ANY PARTS THAT WOULD WORK AS AN ADD-ON LAYER?

Turning your design into a Multi-Layered Page

LOOKING AT YOUR DESIGN, PREPARE A PIECE OF CARD FOR EACH LAYER.

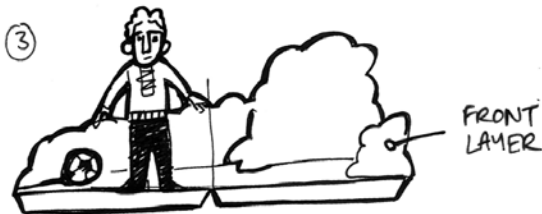

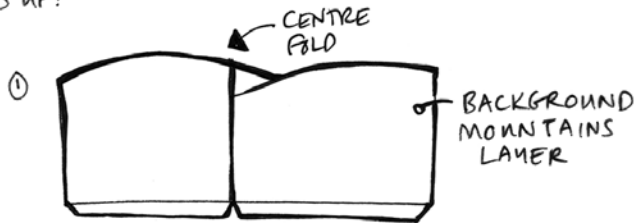

FOR THE V-FOLD LAYERS, PREPARE PIECES LIKE THIS

FOR THE ADD-ON ITEM LAYERS, PREPARE PIECES LIKE THIS

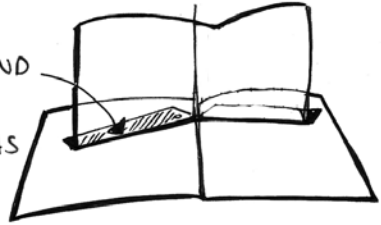

THIS IS HOW MY DESIGN IS DIVIDED UP:

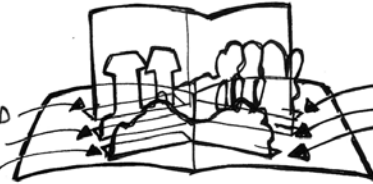

ONCE THEY HAVE ALL BEEN DRAWN, COLOURED AND CUT OUT, YOU ARE READY TO STICK THEM DOWN

GLUE THE BACKGROUND LAYER ON ONE SIDE (AT A V-ANGLE AND LINING UP THE FOLDS AS BEFORE)

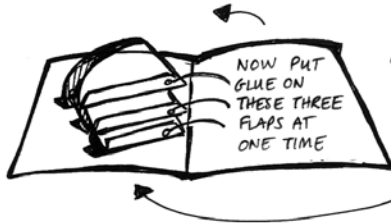

IN FACT, STICK ALL OF THE V-FOLD LAYERS ON ONE SIDE

LEAVE THESE LOOSE FOR THE MOMENT

PUSH THE GLUED POP UP LAYERS FLAT DOWN ON THE BASE PAGE

AND THEN CLOSE OVER THE UNGLUED POP UP LAYERS SO THAT YOU CAN SEE THE THREE FLAPS UNGLUED

AS USUAL, GLUE THE SECOND FLAP(S) BY CLOSING THE PAGE AND PRESSING DOWN

OPEN UP AND YOUR THREE LAYERS POP UP

STICK ON YOUR ADD-ON ITEM AS PER PREVIOUS INSTRUCTIONS

AND THEN YOUR MULTI-LAYERED POP UP PAGE IS COMPLETE!
